

Discussion Guide Planning Template B

Professional Development/Personnel and Communication Planning

Consider your planned school improvement actions and strategies. Identify the teams and team members who will lead the implementation and development of knowledge, skills, and attitudes needed for success. Discuss and list specific steps and actions that school staff members will take to develop the knowledge, skills, and attitudes for each group below.

	<i>Actions to Develop the Requisite Knowledge for Success</i>	<i>Actions to Practice the Requisite Skills for Success</i>	<i>Actions to Develop the Requisite Attitudes for Success</i>
Leadership Team/ Steering Committee			
Faculty Colleagues			
District Personnel			
Parents			
Students			
Community Leaders			
Others (list them)
