

Alternative Payment Methods | Going Green Initiatives

NASSP accepts Virtual Card Numbers (VCNs), ACH | EFT and eChecks as alternative payment methods to standard checks and major credit cards.

If you require a completed VCN Enrollment or ACH | EFT Authorization Form from NASSP, please email the form to billing@nassp.org.

For ACH | EFT payments, all payment advice documents should be emailed to billing@nassp.org immediately after the submission of your payment request to your bank. Suggested subject line for email would be *XZY School District _ EFT Advice #E00154 _ \$ 385.00*.

For VCN payments, in the payment services provider's invoice and/or description field, you may reference the 10-digit order number for membership renewals; the 8-digit bill to customer number from new member and merchandise quotes/proforma invoices; and/or for conference registrations the group or badge ID number, or email billing@nassp.org.

For online eCheck or credit card payments, if your finance officer would like access to the school or school district's account to pay please email billing@nassp.org with the officer's names, title, and email address so that we can add them to the account and grant them the proper permissions.
