

ASSISTANT PRINCIPALS OF THE YEAR

Class of 2021—State Winners

The NASSP National Assistant Principal of the Year program annually recognizes outstanding middle level and high school assistant principals who have succeeded in providing high-quality learning opportunities for students. These assistant principals are acknowledged by their peers for the exemplary contributions they have made to the profession. Each of the 50 states, the District of Columbia, the U.S. Department of Defense Education Activity, and the U.S. Department of State Office of Overseas Schools selects one assistant principal to represent their state.
